

PROVOCAZIONI

COLOUR INNOVATION

Sirca!

Sirca S.p.A. – an Italian company specialised in wood coatings and polymers made in Italy – presents in this brochure some new special effects studied for furniture and accessories in general.

2014 Collection "Provocazioni Sirca", displayed into Salone Internazionale del Mobile of Milan, is the first of a series of initiatives that Sirca wants to promote, to emphasize the importance of colour in design.

The information given in this technical sheet is based on the best of our knowledge and experience.

Sirca guarantees the consistency of the chemical/physical characteristics of its products within the tolerances indicated above.

The final result is the full responsibility of the user who, before using the product, must check that it meets his requirements in terms of safety, application equipment, support material to paint, and environmental conditions.

Sirca's technical and commercial network is at your complete disposal to deal with any questions regarding how to correctly apply and use our products.
